Delmarva Stargazers

Observing: most people saw the moon's wide ice crystal ring.

Outreaches:

- Delmarva Search and Sescue. Will be done at Tuckahoe State Park, Md if better weather. DSS covers the entire Delmarva area, centered in Tuckahoe.
- Eastern Audubon society – Our star gazing and look through telescopes – Pickering Creek.

Next month's agenda – look at kinds of telescope and their pros and cons. Truit took it.

Steve Swayze (One of our MMS mentors) – wants to see the King Tut show in Philadelphia - \$32. Franklin Institute.

New Diggs:

- Del Tech: we get meeting place if we (for a discount) do a summer camp 7 days. Three camps level and we get the facilities at no charge. Truitt and others say they will do it for one (june 11 August 10th Not on July 4th, 9AM- 12) camp. Del tech terry campus. August we don't have a meeting in July (picnic).

Conversation:

- Dark nebula need low mag.
